TAX OFFICES DISCUSSED

Would Merge City, School Facilities

The pros and cons of a combined tax office for the City of Canyon and the Canyon Independent School District were hashed out to no firm conclusion Tuesday night.

The Canyon City Commission and the Canyon School Board met jointly to discuss the possibilities of combining the offices.

It was generally agreed that both bodies will appoint two men each plus two laymen to serve on a committee to study the feasibility of such a combination.

School board president, Jerry LaGrone, said the board will have its two members appointed by the next commission meeting Oct. 17. The commission will meet at that time to appoint its committeemen.

The possibility of union of the offices has been discussed several times previously but no definite action has been taken.

Superintendent of Schools Jerry Jacobs stressed that if a combination is to be accomplished, action should be taken soon. He said as both separate offices progress, each will grow

farther away from the other in respect to procedures and techniques.

Jacobs said it might be impossible, in the future, to attempt to combine the offices.

City Manager Paul Davis said three points are pertinent when considering the consolidation. He posed the points in question form:

If there is duplication in the two offices, would consolidation increase efficiency?

If the two offices are understaffed, would the consolidation help retain professional manpower?

Would this consolidation improve service to the public?

The city tax assessor-collector, Rankin Eisenberg, in effect, answered "yes" to all these questions.

He said there is definitely duplication in the offices, that (See MERGE, Page 3)

Gifts For Soldiers In Vietnam

The Veterans of Foreign Wars Auxiliary has voted to send Christmas presents to Canyon soldiers in Vietnam this year.

The Canyon News will supply all the addresses of servicemen which it has available. Anyone knowing the name and address of a Canyon soldier in Vietnam should contact Mary Ann Cox at OL5-3574.

This should be done immediately as Oct. 15 is the mailing deadline for the presents.

\$ Half Million Estate Settled

The contested will of the late T. B. Davis of 2602 Curtis Drive in Amarillo, which included property valued at \$500,000 has been settled out of court.

The contestants received a section and a half of land in Potter County and the mineral rights on 624 acres of land in Colorado. Davis' wife, Mrs. Jo Jimmie Davis, received the remainder of the estate.

The case was heard on appeal Monday in 47th District Court before Judge Gene Jordan. On May 23 Judge Carroll Brown in Randall County Court pro-

bated the will awarding all of the estate to Mrs. Davis.

The will naming Mrs. Davis as heir was drawn up by Atty. J. O. Fitzjarrald while Mr. Davis was in the hospital. The will was dated Sept. 16, 1967.

A former will was made July 11, 1960. This willed \$10,000 to Carroll Patterson of Clinton, Ark., with the rest divided in seven shares for Mima Jennings and Royal Jennings, both of Wichita, Kans., Keith Jennings and Dan Davis of Amarillo, Martha Kyle and Ivan Jennings of Waggoner, Okla., and one share to Martha Sue Hamilton and Mary Lou Chambers of Tulsa, Okla.

The contestants charged that the last will should not be filed because it was not signed by Mr. Davis. They maintained that Mr. Davis did not possess testamentary capacity at the time of his death, that he didn't have the mental capacity to understand he was making a will, and that he was unduly influenced by his wife.

Mrs. Davis testified that he did have testamentary capacity and had a keen mind and knew of his property and its value. She said that she influenced him in no way.

Fitzjarrald testified that he drew up the will naming Mrs. Davis as heir on the instructions of Mr. Davis while he was in the hospital but did not know when he signed it.

Both wills were found in the Davis home after Mr. Davis' death Feb. 5. Mr. Davis was 78 at the time of his death.

WT Play Opens In BIT Oct. 16

The first performance of "Barefoot in the Park," a production of the West Texas State University drama department, will be at 8:15 p.m. Oct. 16.

The play, the first to be presented this year in the Branding Iron Theater at WTSU, will run three nights through Oct. 18. A special matinee performance will be at 2 p.m. Oct. 19.

Admission will be \$1.50 for adults and \$1 for high school students and children. The performances will be free to new faculty members at WTSU. Cast members include Kathy Busch, Amarillo freshman, as Corie Bratter, the bride; Tommy Stansbury, Houston junior, as Paul Bratter, the husband; Martha Raymond, Tulsa junior, as Corie's mother; Stephen Hunter, Amarillo sophomore, as Victor Velasco, an upstairs neighbor; Buster Tieman, Amarillo sophomore, as the telephone repairman; and Gary Don Smith, Tulsa freshman, as the delivery man.

William A. Moore, associate professor of drama at WTSU and director of the play, said "Barefoot in the Park" is "a lighthearted comedy."

James Demmerling of the WTSU drama department, is scenery designer and technical director for the production.

The play was written by Neil Simons and was recently filmed as a movie.

Heart Fund Goal Is Set

The regional director of the Texas Heart Association, Robert K. Miller, has set the goal of the Randall County division of the organization at \$1,500 for this year's fund drive.

Miller met with members of the division Monday night.

The money is to be collected during the week before and the day of Heart Sunday, Feb. 23, 1969.

Mrs. Hollice Snyder of Canyon, chairman of the division, said the funds would be collected through door-to-door solicitations, special gifts and heart memorials.

She said \$1,000 was collected last year.

In other action, Dr. Hiram Carr of Canyon, was authorized to approach members of the Rotary Club for the purpose of showing a film on heart problems during a club meeting. Oscar Hinger was authorized to do the same with the Lions Club.

The division will meet again at 7:30 p.m. Nov. 4 at the Randall County Commissioners Court room.

Dr. Manley Bryan also attended the Monday meeting.

To Close Fifteenth One Week

Fifteenth Street will be closed Monday through Friday of next week from Second Avenue north to First Avenue to permit work on the Santa Fe Railroad crossing at that point.

The railroad will improve the four tracks at the crossing, putting them all on the same level. This will necessitate the city raising the grade on both sides to meet the level of the tracks.

65-Year-Old Coed In Class At WTSU

Miniskirts aren't a part of Mrs. Marcia Caldwell's campus wardrobe. Collegiate puppy love has no part in her life. But her cohorts are young and she does wear patterned stockings.

Mrs. Caldwell's a coed-class of '70.

Paul Eggers Sets Speech At University

Republican gubernatorial candidate Paul Eggers will be in Canyon Oct. 25 to speak to students at West Texas State University.

Eggers will arrive in Amarillo at 9:30 a.m. at Amarillo Air Terminal.

He will speak at 11 a.m. in the ballroom of the Student Union Building at WTSU. He is sponsored by the university Young Republican group.

A question and answer period will follow the speech. John Mann, temporary chairman of the Young Republicans, said Eggers will have no set speech topic, but will speak off the cuff on issues today.

The public is invited. Mann said he expects about 200 persons to attend the session.

Eggers will leave Canyon about 12:45 p.m.

Mann said the WTSU students, working through area Republicans, invited Eggers to campus about Oct. 2.

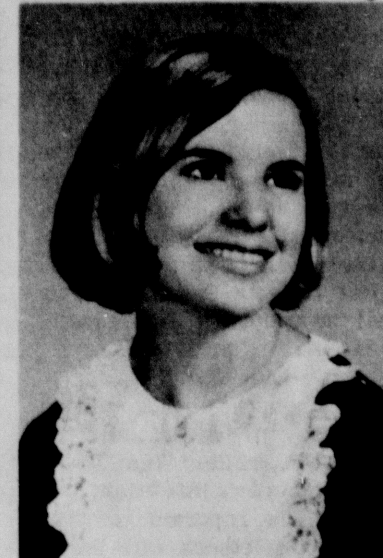

The campus Young Republicans have been organized about two weeks.

Homecoming Begins With Bonfire Tonight

Canyon High School annual homecoming activities will begin tonight, Thursday, at 7:30 p.m. with a bonfire just east of the CHS football field. The bonfire will conclude with

a snakedance from CHS to downtown.

All day today, Thursday, at the school will be "color day." Friday has been designated as "dress up day."

Friday's activities begin at 1:45 p.m. with the annual homecoming assembly featuring special music from the CHS choir, and presentation of a merit award plaque from the Chamber of Commerce by Dr. Paige Carruth.

The homecoming assembly will also include presentations to the oldest ex-student present and the ex-student traveling the farthest to attend.

Cheerleaders, football players, coaches and homecoming queen candidates will be introduced on the program. The assembly will conclude with an open pep rally in the high school gymnasium.

The Band Parent sponsored chicken spaghetti supper will be served in the high school cafeteria between 5:30 and 7:30 p.m.

Homecoming football game with Panhandle begins at 8 p.m. in Buffalo Bowl to be preceded

by the coronation of the homecoming queen.

Nominees for the queen's crown are Susan Swatzell, Carole Fite and G'Lou Williams. All are senior students at Canyon High School.

Miss Swatzell, daughter of Mr. and Mrs. Jack Swatzell, is a member of the National Honor Society, secretary for the senior class, secretary for the CHS Student Council and a member of the Future Business Leaders of America at CHS.

Daughter of Mr. and Mrs. Marvin Fite, Miss Fite is a senior cheerleader, member of the National Honor Society and the Future Business Leaders of America chapter at CHS.

Miss Williams, daughter of Mr. and Mrs. C. E. Williams, is a member of the National Honor Society, treasurer for the CHS Student Council and active in the CHS Drama Club.

Payment On Annex Approved

Randall County commissioners Monday approved payment of an additional \$55,000 to Contractor John Moss on construction of the new court house annex here.

This was the eight payment to be made and leaves the balance on the new \$400,000 facility at something less than \$50,000. Funds for the new building were raised by issuing county warrants.

In other business, the court received a petition from John Plank, a farmer who lives north of Canyon, for the opening of a new county road.

The proposed new road would run from City Lake Road to Hollywood, a distance of 4 miles. It would be 60 feet wide.

The court accepted the bid of (See ANNEX, Page 3)

It's Mum On Nester Wildcat

Drilling began this week on Shell-Nester Number one, a pre-cambrian wildcat just east of Canyon.

"This is a tight hole," a Shell official said Tuesday. "We're not giving out any information on it until completion and then we will make it public."

"We have a lot of money invested here and we'd like to analyze what we find first."

Shell is testing a large lease block in Randall County. The Shell-Nester Number One is slated to go 8,200 feet.

It is a rank wildcat. There is no petroleum production in Randall County.

Mrs. Marcia Caldwell, 65, is a coed at West Texas State University. She lives in Cousins Hall and attends classes regularly. Her major is history.

Dirt movers began work Monday preparing the way for construction of a new \$3.1 million physical education building on the West Texas State University Campus. The Jimmy Holmes Company of Amarillo is doing the dirt work. Prime contractor is Western Builders of Amarillo, same firm which built the new administration building.

Begin Building

Construction on a new \$3.1 physical activities building is underway on the campus of West Texas State University.

A milking parlor for the college dairy farm will also be built as soon as construction materials are available. Virgil Henson, financial vice-president, said construction would begin immediately.

The buildings were approved Friday by the Board of Regents, Texas State Senior Colleges, meeting at Stephen F. Austin College in Nacogdoches.

The 180,000 square foot physical activities building, located on the east edge of the WTSU campus, is expected to cost about \$3,170,000. Financing of \$3,509,315 has been secured by WTSU officials.

The building will be financed by \$1,175,000 revenue bond sale approved by the regents, \$1,050,315 from the Department of Health, Education and Welfare and a new loan of \$1,284,000.

Western Builders of Amarillo submitted a low bid of

\$2,664,000. The surplus of \$339,315 was explained by Bob Hucker of Amarillo, a member of the firm of Hucker & Parge, architects for the new building. He said that WTSU officials expected the low bid to exceed \$2,900,000.

Merrill Lynch, Pierce, Fenner and Smith were low bidders on the revenue bonds with an effective interest rate of 5.130 percent graduated to 5.177 percent. The bonds will mature in the year 2,000.

A contract with Hallmark Builders of Amarillo for \$20,750 for the milking parlor was also approved.

Regent Mrs. E. D. Lockey of Troup criticized the WTSU out-of-state travel expenses which exceeded \$12,000, \$11,000 for athletic travel and slightly more than \$1,200 for academic travel.

Dr. James P. Cornette, president of WTSU, told the board that several academic trips taken earlier this year had not appeared on the report and that the travel would balance out over the year.

In other business, the board approved a request by the presidents of the seven colleges for an optional retirement system, approved the distribution of state allocated money to be used for non-faculty personnel pay raises of which \$15,000 will go to WTSU, and approved the hiring of four new faculty members and the retirement of Dr. Mattie Swayne Mack, a professor of English.

Depository contracts with two Amarillo and Canyon banks, which were rejected in August because of "an unfavorable interest rate," were approved. The First National Bank of Amarillo will serve as depository for interest and sinking funds and the Amarillo National Bank and the First National Bank of Canyon will serve as the depository for general funds.

The two year agreement calls for an interest rate of five percent on deposits left over 30 days and five and one-half percent on deposits of \$100,000 or more left 180 days or more.

FROM THE

CANYON RIM

The candidacy of Bob Price for re-election to Congress got a rather unexpected shot in the arm last week from three Randall County farm leaders.

Louis Henders, Bill Patke and Charles Gerald went to Washington to appear before a House agricultural committee hearing. Price is a member of that committee.

These three dairymen came back home singing the praises of the congressman from Pampa.

The biggest boost came from Henders, who plays a prominent role in both state and national dairy associations.

"It is my opinion that if the House were to go Republican, Price would have considerable power in Congress," said Henders. "He would be number two man on the committee. He knows agriculture. He is a farmer. He has more influence than I thought he did."

This came from a farmer who knows the ropes and who has himself grown in influence in agricultural circles over the past decade.

This pronouncement from a prominent farm leader must come as a jolt to Dick Brown, Hartley, Price's opponent in the Congressional race.

Brown has based most of his campaign on what he terms Price's ineffectiveness in farm matters and his alleged ignorance of agricultural problems.

Dick obviously hasn't talked to Panhandle farmers.

We have a melting pot in the back room at The News office. We melt lead to be used in casting mats from which proofs are made for use in the paper.

As lead is handled and used, impurities cling to it and when it is melted these impurities rise to the top in the form of slag.

If you look at the top of the melting pot you would be willing to swear that the pot contains only useless waste. But all the time, there at the bottom is the shiny pure metal waiting to be used again and again.

I draw a parallel between America and our metal pot. After all, America is often referred to as the great melting pot where the people of the world have come together to form one nation—stronger because of the diversity of its cultures.

We were bound to see some slag bubble to the top of this great melting pot. The slag is in the form of hippies, yuppies, anarchists and trouble makers.

They bubbled up for all the world to see at Chicago recently.

The world—especially the communist bloc—may think America is made up of weak, useless slag ready to be blown in the wind.

But beneath it all there is still the people—the pure metal in the melting pot.

Our campus source told us this week that Mrs. Bartee Haille, Jr., visited West Texas State University this week.

She is reported to have brought two others with her—one from Paris, France.

Our source says they held a meeting on campus with some members of the Students For a Democratic Society, often referred to simply as SDS.

Mrs. Haille's husband was here last spring for sessions with the campus radical left. Haille at that time described SDS as the largest radical left group in the country.

FBI Director J. Edgar Hoover has described the organization as "a militant youth group which receives support from the communist party and which in turn supports communist objectives and tactics."

SDS has been a funder of student unrest across the country and has played key roles in such lawlessness as the take over of several buildings at Columbia University last spring.

There has been much predicting that more trouble can be expected in American institutions of higher learning the third week in October.

I have no way of knowing whether there is any connection between these predictions and Mrs. Haille's visit.

I do know that authorities are aware of her visit and that they know with whom she met.

The letter was published the day after Mrs. Haille's visit.

Now H.M. has done it. He HAS done it! We're talking about H.M. "Boy" Baggerly editor of The Tulia Herald.

H.M. said in his column last week that anything I write is incomprehensible. Then he turned right around and lifted my story on the promotion of Banker De an, House, a former Tulia resident, and printed it without changing a word.

This leads me to believe that H.M. doesn't really have such a low regard for my writing after all, else he surely would have rewritten my story before he put it in his paper.

Also, H.M. made some snide remarks about how Tulia people suffer from disagreeable odors, what with a feedlot to the south and Troy Martin to the north.

To say that the people of Tulia are bothered by these strong smells, unpleasant though they may be, H.M., is stretching the truth just a little too far.

The people down there MUST be used to putrid smells by this time. Why the Tulia Herald has been located right in downtown Tulia for years!

Government Official To Appear at WTSU

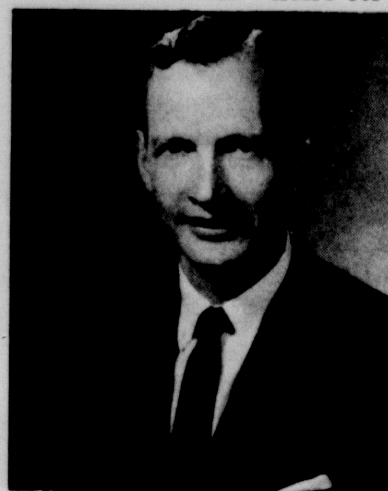

The director of the office of Inter-African Affairs with the U. S. government will be featured in speeches and lectures Oct. 14 on the campus of West Texas State University.

Fred L. Hadsel, 52, will be guest lecturer during morning classes at the university. He is sponsored by the Student Activities Council at WTSU and charges \$75 for a speaking engagement.

Hadsel will be guest at a noon luncheon in the gold room of the Student Union Building at WTSU and then will speak at 3:15 p.m. in the ballroom of the SUB.

A question and answer period will follow his speech, which is open to the public.

Hadsel has been with the Office of Inter-African Affairs since 1964. Prior to that time he was planning advisor for the Bureau of African Affairs for

a year.

He has been with the Department of State since 1946 when he worked with the historical division. He has also been with the Office of German Affairs.

Hadsel received his Ph. D. in 1942 from the University of Chicago.

He is married and has three children.

Jury Returns Guilty Verdict

Mrs. Bonnie Jean Blanton, 28, of 2515 Chestnut in Amarillo, was sentenced to four years in the state penitentiary Tuesday by Judge Gene Jordan in 47th District Court.

A jury found her guilty of theft over \$50 in connection with shoplifting from the Piggly Wiggly Food Store in Amarillo.

Mrs. Blanton was also found guilty of aggravated assault in August in connection with the shooting death of her husband. She was given two years probation.

She has three previous convictions of shoplifting in Potter County Court at Law and Corporation Court in Amarillo and has one shoplifting conviction on appeal to the Texas Court of Criminal Appeals.

Mann Heads Republicans

Young Republicans of West Texas State University elected John Mann of Canyon as president during a meeting Monday night.

Other officers include Dianne Broadax, secretary and Sherry George, treasurer.

The group has presented a charter to the WTSU Student Senate for approval as an on-campus organization but no decision has been reached by the governing body yet.

Mann said he will invite Ben Latham, GOP candidate for state representative from precinct one of the 74th District, and Tom Christian, Republican candidate for the seat in the 75th District, to attend the next meeting of the YRs.

The group will meet at 7 p.m. Monday in the Azure room of the Student Union Building. Plans will be made at the meeting to dispense party literature throughout Canyon.

WT Students To Present Spanish Play

A 19th century Spanish play, "Don Juan Tenorio," will be presented tentatively Nov. 1 by the Spanish classes of West Texas State University.

Dr. Edward Brown, associate professor of modern languages at WTSU, said only dramatic readings from the play will be presented due to the length of the original work.

Dr. Brown will direct the drama.

The play is traditionally given by Spanish-speaking peoples on All Saints Day, he said, and is presented annually by many universities. This will be the first showing at WTSU.

Student Center Begins Tours

The new Methodist Student Center at West Texas State University will be open for public tours Oct. 19 and 20.

The campus minister, Rev. Cecil R. Matthews, board of directors and student council members will lead tours from 4-5 p.m. Saturday and 2-6 p.m. Sunday.

The Rev. Matthews said the purpose of the open house will be to acquaint people of the area with new facilities and equipment at the center.

Ricky Bauer was recently elected president of the Wagon Wheel 4-H Club.

Three Guilty Pleas Heard

Three men pleaded guilty to charges of DWI, second offense, Monday, and were given probation sentences by Judge Gene Jordan in 47th District Court.

Travis William Baker, 54, of Lakeview, was given five years probation. He forfeited a \$1,500 bond for failure to appear in court.

Louis Edward Maxey, 52, of 1510 N. Arthur in Amarillo, and Julio Gonzales, 45, of Hereford, were given three years probation.

is Barbican, reporter; Lee Roy and Gladys Bauer, adult leaders; Sue Kirby, council delegate; Rhonda Tucek and Mary Ann Boehning, recreation committee; and Alan and Ivey Dugan, refreshment chairman.

The club meets every first Tuesday at 7:30 p.m. in the Farm Bureau Building. All boys and girls, 7 and older are eligible for membership.

Attending the election meeting were Ricky and Cheryl Bauer, Pam and Rhonda Tucek, Alan and Ivey Dugan, Joe Smith, Sue Kirby, Mary Ann, Clifford and Mark Boehning and Louis Barbican.

Our World

BY ANN BROWN
The tragic deaths of the Mexican Nationals in San Antonio recently should be ample evidence to any unbiased observer that the United States does offer common opportunities worth defying death and prison to obtain.

The great American ideal is--and should ever be--equal opportunity and equal protection by the law for every American regardless of race, color, or creed. The fact that Uncle Sam may never reach his high ideal should not prevent his striving toward it.

There have been many worthwhile accomplishments in this area in recent years. Later, however, some powerful organizations have leaned so far backwards in their promotion of "fairplay" that they may topple the entire structure.

Racial discrimination is still very much with us--and increasing--only now it is against the white majority. Observe any modern play, movie, TV program, novel, short story, or poem; the villain is always a Caucasian. If a colored person appears on the scene--and in all public entertainment

he must--his role is always clean and wholesome, if not heroic.

Everyone knows this is unrealistic; there are good and bad people in all races. One may check any police record in the U.S., and he will find non-whites in conflict with the law out of all proportion to their numbers. And the tired excuse that non-whites turn to crime because of their hopeless poverty is also unrealistic; there is a far greater number of poor whites in America than poor non-whites.

On July 5 the Federal Communications Commission threatened the American broadcasters with the loss of their licenses if they do NOT practice racial discrimination that is clearly contrary to the federal Civil Rights Act.

The commission's general counsel, Harry Geller, told newsmen that radio and TV stations may no longer offer employment to all qualified persons regardless of race, but must employ colored people--even if they have to seek them out and train them!

Suppose a qualified white man rejected under the FCC's new ruling should take his case to the U.S. Supreme Court. It would be interesting to see how the court would handle that "hot potato."

Last spring, black students at Northwestern University were granted permission to set up an all-black dormitory. There was no objection from federal officials, and no public outcry of bigotry. And there should not have been.

But suppose white students at the University of Mississippi were allowed to set up an all-white dormitory, said "bigots" would probably be deprived of all public funds immediately.

It is obvious to thinking people of all races that the black minority will eventually suffer the most from such unfair antagonizing of the white majority. When an employer is no longer free to choose the best employees he can find--without regard to race or color, justifiable resentment is added to our "pressure-cooker" society.

American freedom is being whittled away by men who were not voted into office, and cannot be voted out. Unless some way is found to curb their despotic policies, America will soon cease to be a land of opportunity for any race.

Place At

Nationals

Several riders from the Randall County Sheriff's Posse received awards at the national playday finals for the American Association of Sheriff Poses and Riding Clubs held in Fort Worth last week end.

Janice Allen placed fourth in the ring race and took a second place in the potato race.

Connie Davis was second in barrel racing and fifth in the pole bending.

R. B. Allen placed fifth in the pole bending for senior men.

Ed and Dora Waldrop, members of the RCSP who reside in the Palisades, also received several honors. Waldrop was high point senior man with 16 points and was a rider on the fifth place baton relay team, won first place in the ribbon race, was second in the keyhole race and third in the barrel race and ring race.

Mrs. Waldrop rode with the first place baton relay team and placed fourth in barrel racing.

Boosters Have Meet

Canyon High School Booster Club met Tuesday evening at the school cafeteria with Tom Keeling, president, in charge of the business session.

Films of the Dalhart-Eagle football game were shown and scouting reports were given on the homecoming tilt with Panhandle Friday night.

The Booster members will be at the gate Friday night selling donation tickets for an expense paid trip to the Dallas Cowboy-Washington Redskins game to be played in Dallas on Thanksgiving. The ticket drawing will be conducted in early November.

Next regular Booster meeting will be Tuesday at 8 p.m. in the CHS cafeteria with freshmen football team members and their coaches as special guests. All interested persons are invited to attend.

Saturday Speech By KC Director

A Columbus Day address by Supreme Knight John W. McDevitt will be broadcast Saturday at 12:45 noon on radio station KCAN in Canyon, according to Ben Koch, Grand Knight of the Umbarger Council 2808 Knights of Columbus.

McDevitt is head of the 1,200,000 member fraternal benefit Society of Catholic Men. He has been a member of the Order's board of directors of the Knights of Columbus since August 1955 and was appointed to the office of Deputy Supreme Knight by the directors in 1960 and to the office of Supreme Knight in 1964.

month.

For a year, Mrs. Caldwell visited friends and relatives throughout the country. She gave up her home in Channing.

Shortly before moving from Channing, she "made a conclusion that I would take a year's time and see how things worked out and if nothing came up I'd go back to Channing and get a little place and live out the rest of my life."

One month before her year was up, Mrs. Caldwell decided to return to school and get a degree.

She took high school competence tests--she had never graduated from high school--and passed them and enrolled in South Plains College in Odessa.

She studied at South Plains two years and this past summer enrolled at WTSU.

"Since I left in 1965, I haven't had a home in the sense that most people think of a home," she said. "Now, I think of my home as Cousins Hall and I'm very happy to be there."

Cousins Hall at WTSU is intended as a residence for freshmen women only. But, Mrs. Caldwell, because she had lived in Cousins last summer and knew her way around in the building, was allowed to occupy a room which officials say is too small for two girls.

She loves it.

"The girls are all freshmen, and I just don't know what to do with them," she said. "I make every effort not to interfere--that's about the only effort I make."

She said she feels that none of the women students resent her living in the hall.

On campus, Mrs. Caldwell gets around with little trouble. She has classes which are fairly close to her residence.

She does have trouble, though, in classes themselves. Note-taking and test-taking are problems since her vision is so poor.

But, she manages.

She uses a small magnifying glass, bends over her paper and tries to keep up.

"I'm slow," she said, "but, then I have plenty of time."

Mrs. Caldwell is majoring in history.

She also hopes to earn a degree in sociology, either before or after the history degree.

Until then, though, she is depending on her divine providence to lead the way to tomorrow.

"God led me to this," she said, "so how do I know, he might just turn me aside and put me on another track."

both offices are understaffed and that service to the public would be improved because taxpayers would receive only one bill and would make one payment or complaint at a single office.

Davis said he feels the combination would improve both organizations.

One aspect of the consolidation would be the equalizing of valuation for both offices.

Eisenberg said the valuations are almost equal now. "We wouldn't have a tremendous amount of change either way," he said.

Lindsey said the valuations should be the same, even though rates might be different.

Another aspect of the consolidation was that of saving money through the combination.

Jacobs said he doubts the combination would save much money even in the future.

Eisenberg said it is possible the joint offices would not save much money during the initial stages, but would probably save in the future.

The possibility of bringing the county tax office into the consolidation was also discussed.

Conway Kuykendall, school tax assessor-collector said right now the possibility wouldn't be feasible, but, if an amendment which would virtually eliminate state ad valorem tax passes in November, the county tax office might possibly join the consolidation.

Jacobs said many other towns and cities in the state have such consolidation. Included are Amarillo, Lubbock, Fort Worth, Wichita Falls, Waco, Tyler, San Antonio, Midland, Galveston and Austin.

Eisenberg said he has worked in the joint tax office in Amarillo and found no disadvantages to the system in that city.

West Texas Machinery Company of Amarillo on two road graders. One was purchased at \$21,944 and the other at \$17,954 with trade ins. One was bought for Precinct 3 and the other for Precinct 4.

Three bids were submitted on the machinery. The machines purchased are Caterpillars.

A. R. Friemel of Umlinger was elected president of the Randall County Farmers Union in balloting conducted Tuesday night at Lindsey Land and Cattle Company in Canyon.

Other officers elected were James Lamb, vice president and Alfred Buecker, secretary-treasurer.

Bob Lindsey is the retiring president of the county organization.

NO. 2138
THE STATE OF TEXAS
COUNTY OF RANDALL
ESTATE OF C. J. STALL,
DECEASED.

NOTICE TO DEBTORS AND CREDITORS

THE STATE OF TEXAS, COUNTY OF RANDALL, TO THOSE

THE 10 YEAR CD

The only C. D. (Certificate of Deposit) in North Texas that guarantees 5% Annual interest, paid every three months for the next 10 years.*

The big advantage is this; if interest rates go up you can always cash in your First National Bank C. D. at the end of any three month period and put your money into something that's paying a higher rate.

If rates go down, you have a guaranteed 5% that nobody can change.

Only restrictions: \$1,000 minimum. Individuals only.

EUGENE (MERCURY) MORRIS Morris Is Honored As Back Of Week

Back of the week honors have been bestowed on Eugene (Mercury) Morris, halfback on the West Texas State University Buffalo football team.

The Associated Press and Sports Illustrated Magazine have endorsed Morris as the title holder.

Morris, a 190-pound senior, set an NCAA one-game rushing record Saturday against Montana State University.

He ran for 340 yards in WTSU's 35-20 victory over MSU. His total bettered the record 326 yards rushed by

Fred Wendt of the University of Texas at El Paso in 1948.

The Associated Press placed Morris on its All-American honorable mention list last year when he was the nation's second leading ground gainer and trailed the leader, O. J. Simpson of Southern California, by only 141 yards.

Morris heads this year's list as top rusher.

A framed certificate accompanied the Sports Illustrated citation for Morris. His honor will appear in the magazine's Monday issue.

Homecoming Game

Eagles Face Panthers

Canyon High School's Eagles meet the highly regarded, unbeaten Panther Panthers Friday night in a homecoming encounter in Buffalo Bowl.

Game time is 8 o'clock.

Underdog every time they have taken the field this year, Coach Dunny Goode's Eagles have acquitted themselves well in their four outings.

The Eagles are an improving team and anything could happen during the remainder of the season.

At mid-week, the boys were in good spirits and Coach Goode expressed satisfaction with the Monday and Tuesday workouts.

"We haven't had any injuries and the team is healthy," Coach Goode declared.

He said the Panthers are a "real fine football club." The Panthers have size and they run well.

Quarterback Van Kinsey is probably the outstanding member of the Panther team. He likes to run with the ball but is quite capable of taking to the air and particularly likes to throw the bomb.

Balancing the Panther attack is Roy Bednorz, 180-pound Panther fullback. He is a power running and is a strong player. He has above average speed and is considered the leading Panther offensive threat.

Jeff Gray at left halfback is quick and fast. The Panthers

depend on him as their outside runner. Bill Smith, center, fills a big hole in the Panther line at 215 pounds.

The Panthers beat Claude 40-2; Shamrock, 13-12; White Deer, 28-0; and tied Sanford-Fritch, 16-16.

Starting on offense for the Eagles will be Lon Conner at quarterback; Max Bosley, wingback; David Erwin and Stan LaGrone, halfbacks; Chris Hull, center; Fred Wilson, left guard; Gary Schrib, right guard; Mike Bull, left tackle and Tim Van Valkenburg, right tackle. Pat Hickman and Jack Thrasher will start as ends.

Defensive starters will include Gary Moore, safety; Sandy Hair, right halfback; Doug Hooker or Steve Russell, at left halfback; Mike Dudenhoffer, Craig Parker and Richard Podzemny, guards; and Andy Hanson and Calvin Yarborough, ends.

Coach Goode mentioned four boys as possible linebacker starters. They are Jim McBroom, Tom Tucker, Smiley Burnett and Larry Robinson.

Three of the four will start. Coach Goode is optimistic. "I believe that the Canyon Eagles have improved each week and if we continue to improve, we'll have a good football game Friday night," he said.

The Eagles lost a heart-breaker last Friday night to the Dalhart Wolves 27-21. Eagle touchdowns were by Stan LaGrone, Pat Hickman and Lon Conner.

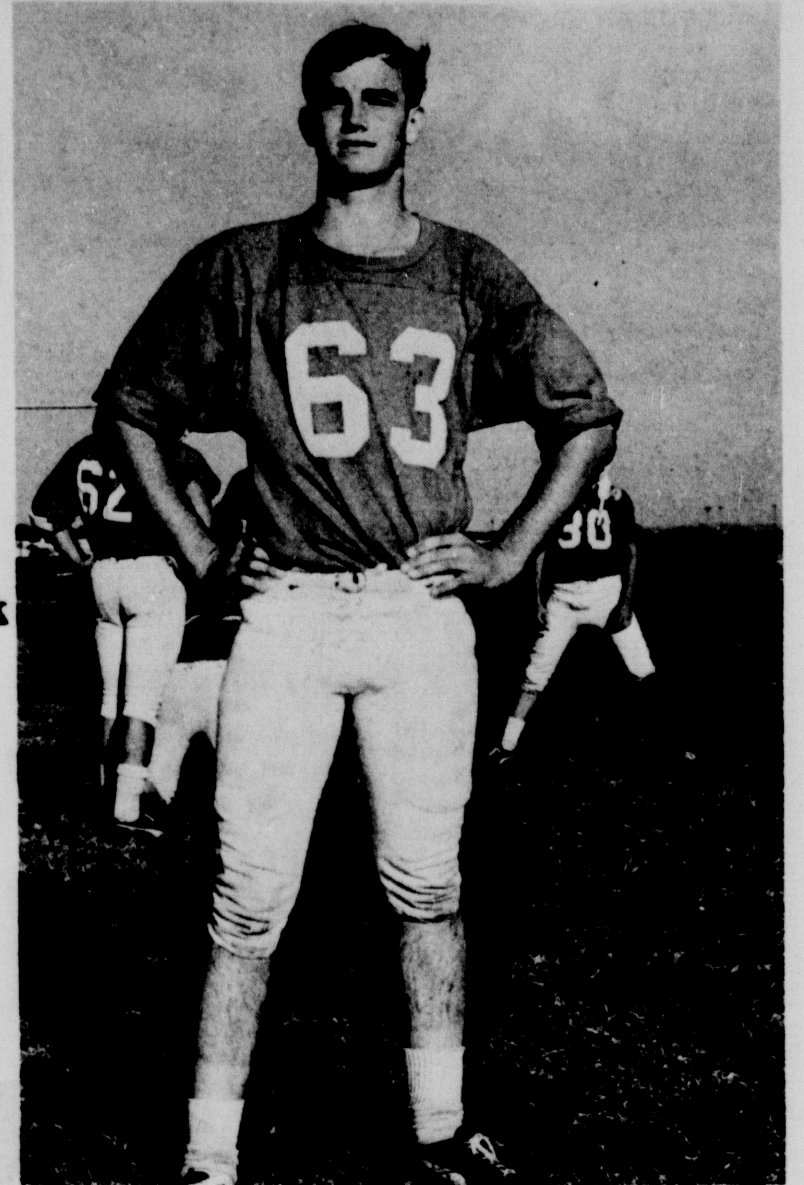

Punt, Pass, Kick Contest Slated

Competition in the "Punt, Pass, Kick" contest, sponsored by Jess Stout Ford, will begin at 1:30 p.m. Saturday at Canyon High School football field.

The contest will be conducted by members of Canyon Jaycees. Pre-registrations were conducted last week for boys 8-13.

Divisions for each age will be judged and winners of first second and third place will be named. A total of 18 trophies will be awarded.

First place winners from the local contest will advance to the district eliminations to be held next Saturday, October 19.

ANDY HANSON

TD Clubs Set Joint Meeting

David West Monday night told some 65 persons present for Canyon Buffalo Touchdown Club that a joint meeting of the Canyon and Amarillo clubs would be held in Canyon Nov. 4, the Monday night preceding homecoming at West Texas State.

Charlie Donnell, local theater operator, has donated the use of Olympic Theater for the meeting.

Lon Connor Is Honored

Lon Connor, quarterback for the Canyon Eagles, was named AAA player of the week by The Amarillo Daily News.

Connor was named for his outstanding performance against the Dalhart Wolves last Friday night at Dalhart. The Eagles were credited with having played their best game of the season and lost to the favored Wolves by only 6 points, 27-21.

Cantrell Fifth At Wayland

Don Cantrell of West Texas State finished fifth Tuesday as the Buffaloes inaugurated their cross-country running program by placing fourth in the Wayland Invitational.

Cantrell ran the two miles in 10:30 as Harold Sando of Eastern New Mexico won the event in 10:09.

Texas Tech won the team title with a low score of 32 points. Wayland was second with 41 points, Eastern New Mexico was third with 82 and West Texas had 84.

Francis Boyle of Texas Tech was second in 10:12. R. Solis of Wayland was third in 10:17 and Lance Harter of Tech was fourth with 10:23.

West Texas' next meet will be Oct. 19 at Texas Tech.

Memphis State Game Saturday

West Texas State's undefeated Buffaloes meet Memphis State in Memphis Saturday night.

Kickoff is 8 p.m. Canyon time.

The Buffs, whose Eugene "Mercury" Morris rushed for a record 340 yards last week against Montana State University, meets a Memphis State defense that has allowed it opposition an average of 273 total offensive yards per game.

The Memphis defense will be led by linebacker John Allen, right end Alex Dees, right tackle Luis Fernandez and safety David Berrong. Heading Memphis' defensive unit in tackles and assists, Allen has 19; Dees, 13; Fernandez, 14; and Berrong, 11 after two games.

Danny Pierce, a 6-3 junior college transfer who took over quarterbacking duties for Memphis State after injuries to starter Rick Thurow in the first game of the season, will probably again lead the Tiger attack when they meet West Texas State.

Pierce played all the way for Memphis against Tennessee as Thurow continued to let injuries from the Ole Miss game heal. A badly bruised thigh was still giving Thurow trouble, and rather than risk further injury, Coach Billy Murphy chose to hold him out. Memphis lost the first game with Mississippi 21-7.

In heading the Memphis offense in the 24-17 loss to Tennessee, Pierce passed for 125 yards on a 9-of-20 day and rushed for another 40 yards on 15 carries. The junior connected on a 43-yard pass to tailback James McCoy to set up the first Tiger touchdown, and a 35-yard run in the first quarter proved to be the day's long gainer in rushing.

Pierce suffered bruised ribs in the Tennessee contest, and, as a result, he and Thurow shared duties in Memphis' 30-12 victory over North Texas in the Tigers first Missouri Valley conference game of the season.

McCoy and senior tailback Nick Pappas appear to be the Memphis backs for the West Texas defense to stop. Pappas suffered a twisted knee in the Memphis-Tennessee game when he was hit hard returning a kickoff in the second quarter. McCoy played all the way after Pappas' injury and scored both MSU touchdowns.

West Texas State's rugged defensive cornerstone of defensive tackle Jess Powell, linebacker Carl Heilman, lineman Willie Brown and defensive back Billy Lantow will be faced with Pappas' four yard per carry average and McCoy's 2.4 yard average. McCoy, after two games, led Memphis in pass reception yardage with 60 yards on three catches.

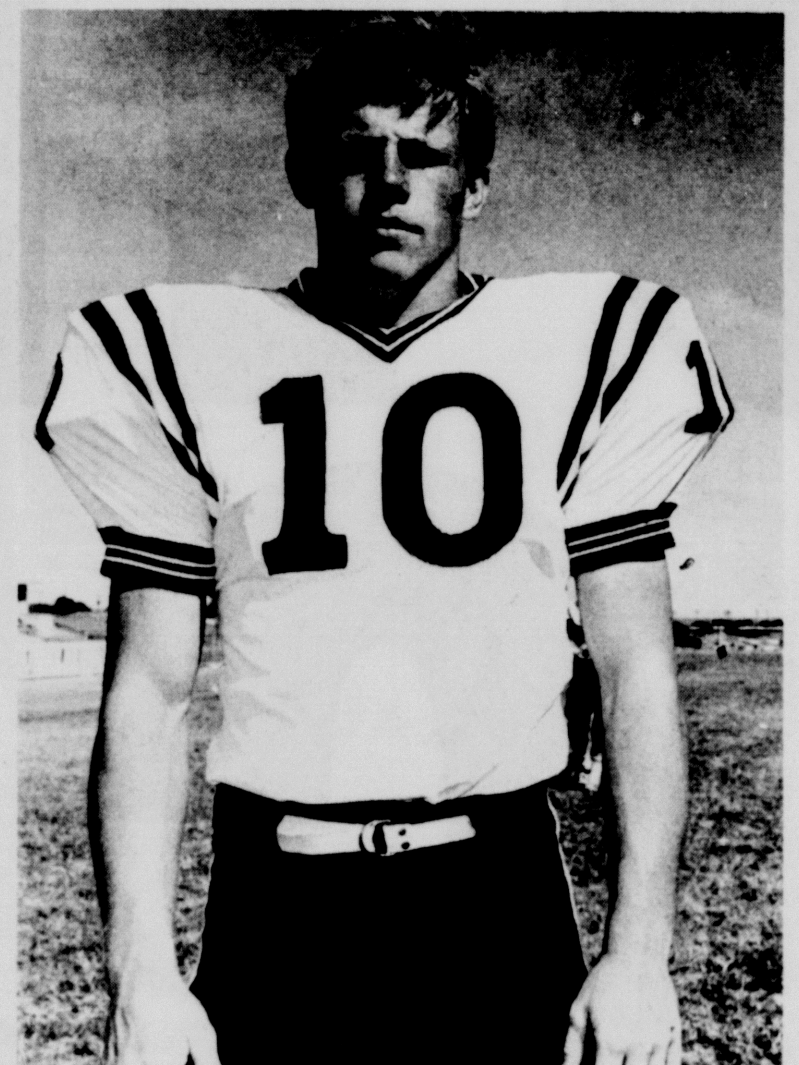

The 210 pound Pierce led the Tigers in total yards rushing after two games with 100 yards gained on the ground. The entire offensive unit had picked up 532 total yards after two contests.

The Memphis defense will be met head on by West Texas' Morris, Duane Thomas and Albie Owens. For West Texas' offense, Thomas has a four game total of 289 yards with Owens holding a 209 net total. Morris, who has scored 11

touchdowns and rushed for 884 yards in four games, was named national collegiate Back of the Week by Sports Illustrated and the Associated Press for his performance against Montana State last week.

Against Montana, Morris rushed for 340 yards and four touchdowns on 35 carries to establish an NCAA single game record. He now ranks 19th among all-time national collegiate rushers with a career total of 2,701 yards. If Morris gains 688 more yards in the remaining six games of the season, he will equal the individual season rushing record nationally.

The game will be the finale in a series of five, the last having

LON CONNOR

JV Plays Dumas

Canyon High School Junior Varsity will play a return match with Dumas B team tonight (Thursday) at Dumas.

Kickoff time is 7 o'clock.

The Canyon JV has lost only one game this season and that was last week to Phillips Bs 22-19. A rematch with Phillips had been scheduled for tonight here but that game was cancelled.

Canyon JV defeated Dumas B team 20-6 here earlier in the season.

WTSU Revival Starts Sunday

A liberal, Kans., evangelical couple will be featured Sunday through Oct. 25 during a campus crusade sponsored by the Faith Chapel and Student Center at West Texas State University.

The Rev. and Mrs. Jimmy Wallis will appear at 7:30 p.m. each night.

Also on the program will be the Faith Chapel Choir.

BSU Delegation

To Attend Meet

About 40 delegates from the Baptist Student Union at West Texas State University are expected to participate in the statewide BSU convention at Fort Worth October 18-20.

Theme for the convention will be "The Church - Resource For Revolution".

The local delegation, accompanied by Rev. Bill Webb, campus director, will leave Canyon at noon October 18 for the convention. Reservations should be made by October 17.

Cowboys Slate Clean

The undefeated and unscored on Canyon Cowboys of Kids Inc. scorched Belmar of Amarillo Sunday 8 to 0 to end Belmar's unscored on record.

Belmar had not been scored on last year nor this year until the Sunday afternoon contest.

Billy Jack Wright made the Cowboys' only touchdown and conversion.

Coaches Mike LaGrone and Tom Callarman said the entire defense of the Cowboys played an outstanding game.

The Cowboys meet Gene Howe of Canyon Sunday in Canyon.

Amarillo Commission Honors Buffalo Team

The football team of West Texas State University was honored Tuesday by the City of Amarillo and it was proclaimed that Saturday will be WTSU Buffaloes Day in Amarillo.

Glen Gibson, Amarillo city commissioner and mayor pro tem, announced the proclamation during ceremonies on the university campus.

mission would like to see, and would endorse the nomination of Kerbel as Coach of the Year. The proclamations were signed into effect Tuesday.

Gibson also handed out proclamation certificates citing Eugene (Mercury) Morris as being named Associate Press back of the week and for Morris' NCAA record-breaking run Saturday night against Montana State University.

Calves Blank Willow Vista

The Buffalo Calves of Kids, Inc., stormed the Willow Vista team 14 to 0 Sunday.

A. Z. Drones and Jesse Powell were also presented with certificates citing the entire Buffalo team for its undefeated record.

Craig Howard ran 45 yards for the first Calf touchdown and Jimmy Wallings followed the blocking of Timmy Martin for 55 yards and the second Calf score.

Head Coach Joe Kerbel received a certificate for his job as coach. Gibson, in reading the proclamation, said the com-

Darran Simpkins ran the conversion following the second touchdown.

Announce CH Eagle FB Grades

Lon Conner was the leading offensive back for the Canyon Eagles in the Dalhart game last Friday night, according to Coach Dunny Goode.

Coach Goode said Conner's grade was 90. He plays quarterback for the Eagles.

On the defense, Tom Tucker led in tackles with 10 and assisted with 9. High grade on defense was Andy Hanson with 94. Mike Dudenhoffer and James Gressett each recovered a fumble.

Coach Winston Hall of the Calves cited Dwayne Potts, Gary Ward and Dwight Byrd for their defensive effort.

The Calves meet Coronado of Amarillo at 2 p.m. Sunday at Ridgecrest Elementary School in Amarillo.

Little Eagles Win Sunday Tilt

The Canyon Eagles of Kids, Inc., were barely nipped Sunday by Mesa Verde of Amarillo 6 to 0.

Eagles coaches cited Jimmy Ward for offensive excellence during the game and Mario Acosta for defense.

The Eagles meet Whittier of Amarillo at the Canyon High School field at 3 p.m. Sunday.

COOK OF THE WEEK Shares Favorites

Mrs. Ray Malzahn, 1700 Hillcrest Drive, shares recipes with our readers this week.

Mrs. Malzahn, the former Elizabeth Barrett, was raised in Chaska, Minnesota where her mother, Mrs. Helen Barrett, still resides. She has one sister, Mrs. Ernest Wellington, in Oakland, California.

A graduate of Chaska High School, Mrs. Malzahn attended the Minnesota School of Business in Minneapolis where she graduated. She was employed 5 years as secretary to the director of Mill Manufacturing at Pillsbury Mills in Minneapolis, 25 miles from her hometown of Chaska.

In August 1953, she and her husband were married. He is also from Chaska and his mother, Mrs. Inez Malzahn, still lives there. He has three brothers, Arnold at Fort Knox, Kentucky, Richard at Denver, Colorado, and John at Chaska, and three sisters, Mrs. Lee Gjesdahl at Crookston, Minnesota, Mrs. Cal Freden at Seattle, Washington and Mrs. Casy Beck at Shakopee, Minnesota. He also graduated from Chaska High School. He attended Gustavus Adolphus College in St. Peter, Minnesota and earned the B. S. degree from the University of North Dakota in Grand Forks where he received the masters degree in 1953.

After the couple was married in 1953, they spent two years at Edgewood, Maryland where he was in the service with the Army Chemical Center. He then went to the University of Maryland for the Ph. D. degree and spent two years in post doctoral research at Tucson, Arizona under Dr. Carl S. Marvel before coming to Texas in 1963.

The Malzahn family moved to Texas in 1963 and he taught chemistry at West Texas State University until September 1967 when he was appointed dean of the college of arts and sciences at WT in addition to serving as a chemistry professor.

The Malzahns have two daughters, Karen, 14, and Janet, 10.

Karen is a ninth grade student at Canyon Junior High School and is a cadet scout. She is also a member of the senior choir at Trinity Lutheran Church in Amarillo, where the family has membership. Janet, a fifth grade student, attends Trinity Lutheran Day School in Amarillo and is active in the junior Girl Scouts in Canyon.

At Trinity Lutheran Church, Mr. Malzahn teaches a young adult Bible Class and is chairman of the day school board. Mrs. Malzahn teaches in the nursery department, is a member of the senior choir, and active in the ladies guild.

Mrs. Malzahn said that her husband enjoys amateur photography and her first love along the hobby line is sewing for herself and daughters.

She recalls that her mother baked for customers twice each week and the home always had a homey atmosphere. "I have tried to create this by baking for my family often," said Mrs. Malzahn explaining that she especially likes to bake bread. She shares a recipe for Refrigerator Rolls which may be used at once or saved to bake from all week and which is one of her favorites.

Her recipes follow:

REFRIGERATOR ROLLS
1 1/2 cups boiling water
1/2 cup sugar
1 teaspoon salt
1/4 cup shortening
1 pkg. active dry or compressed yeast
1/2 cup lukewarm water
1 egg
5 to 6 cups enriched flour

Pour boiling water over sugar, salt and shortening. Stir until shortening is dissolved, and cool mixture to lukewarm.

Add yeast, which has been dissolved in lukewarm water, and the egg. Mix well. Stir in flour to make a soft dough.

Rub surface with shortening, cover tightly and store in refrigerator until ready to use. Will keep about 1 week.

When ready to use dough, punch down, and shape as desired. Place in greased pan and allow to rise in a warm place until double in bulk, about 1 hour.

Bake in hot oven, 425 degrees, about 20 minutes. Makes about 24 rolls.

CHICKEN ROYALE
4 chicken breasts
1/4 cup enriched flour
1/2 teaspoon salt
1/4 teaspoon paprika
dash pepper
1 recipe Herb Stuffing
1/2 cup butter or margarine, melted
chopped parsley

Split chicken breasts just enough to fold and remove bone. Combine flour and seasonings in paper bag; add chicken and shake.

Fill cavity of each piece of chicken with Herb Stuffing; mix 2 cups dry bread cubes, 1 tablespoon chopped onion, 1/2 teaspoon salt, 1/4 teaspoon poultry seasoning, and dash pepper. Add 2 tablespoons melted butter and 1/24 cup hot water; toss gently. Hold stuffing in by skewering opening of chicken with toothpicks.

Dip chicken in melted butter; place in baking dish. (If any butter remains, drizzle it over top.)

Bake in slow oven (325 degrees) 45 minutes; turn, and bake an additional 45 minutes, or till tender. Sprinkle with chopped parsley; serve with Mushroom Sauce. Makes 4 servings.

SOUR-CREAM MUSHROOM SAUCE

1/2 pound fresh mushrooms, cut in half (canned mushrooms may be used)
1/4 cup minced onion
2 tablespoons butter or margarine
2 tablespoons enriched flour
1/2 cup heavy cream
1/2 cup dairy sour cream
1/2 teaspoon salt
1/4 teaspoon pepper

Cook mushrooms and onion lightly in butter till tender but not brown; cover and cook 10 minutes over low heat.

Push mushrooms to one side and stir flour into butter. Add heavy cream, sour cream, and seasonings. Heat slowly, stirring constantly, almost to boiling point. Makes about 1 1/2 cups.

COLONIAL INNKEEPER'S PIE

Pastry:
1 cup sifted flour
1/2 tsp. salt
1/3 cup plus 1 tbsp. shortening
2 tbsp. water

Mix flour and salt. Cut in shortening. Sprinkle with water. Mix with fork until all flour is moistened. Round into ball. Roll pastry 1" larger than inverted 9" pie pan. Ease into pan; flute high on pie crust edge. Cover and set aside.

Sauce:
1 1/2 sp. unsweetened chocolate
1/2 cup water
2/3 cup sugar
1/4 cup butter
1 1/2 tsp. vanilla

Melt chocolate with water; add sugar. Bring to boil, stirring constantly. Remove from heat; stir in butter and vanilla. Set aside.

Batter:
1 cup sifted flour
3/4 cup sugar
1 tsp. baking powder
1/2 tsp. salt
1/4 cup shortening
1/2 cup milk
1/2 tsp. vanilla
1 egg

1/2 cup finely chopped nuts
Heat oven to 350 degrees. Sift dry ingredients together. Add shortening, milk, and vanilla. Beat 2 minutes, medium speed on mixer or 300 vigorous strokes by hand. Scrape sides and bottom of bowl constantly. Add egg. Beat 2 more minutes, scraping bowl constantly.

Pour batter into prepared pie pan.

Stir sauce and pour carefully over cake batter. Sprinkle top with nuts.

Bake 55 to 60 minutes, or until toothpick stuck in center comes out clean. Garnish with whipped cream or ice cream. Serves 8.

EASY SAUCE - NO COOKING

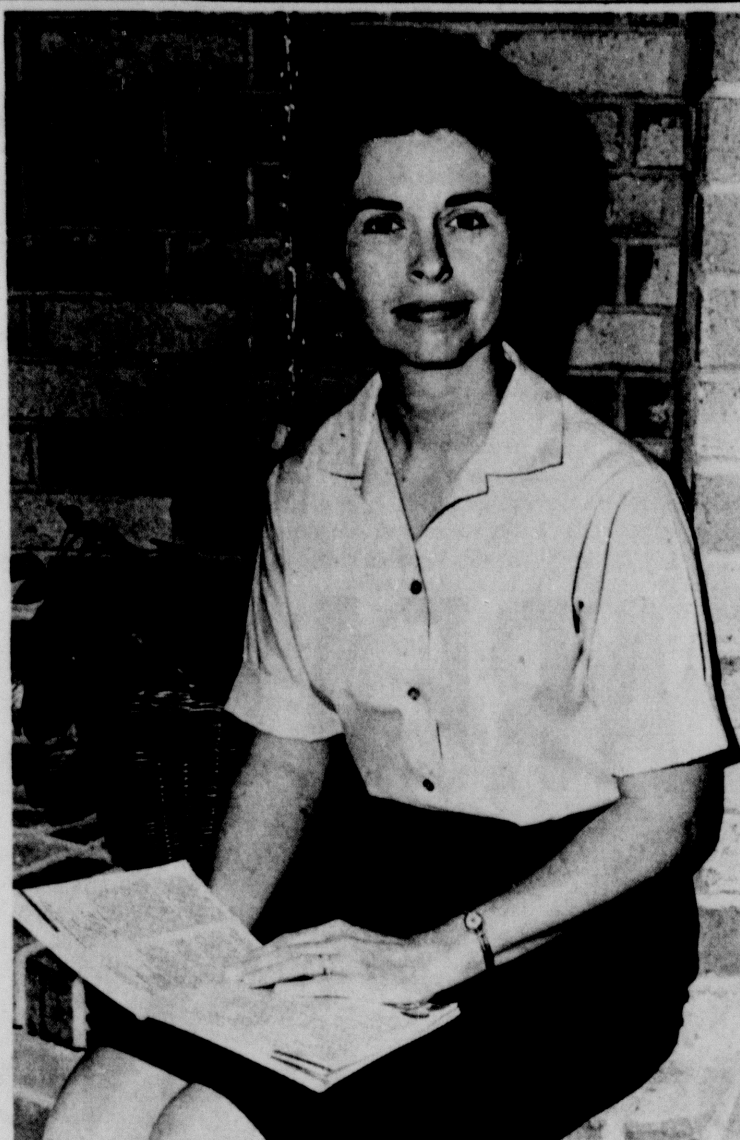

Chocolate:
Mix until smooth 1 pkg. Chocolate Instant Pudding, 2/3 cup light or dark Karo Syrup. Stir in gradually 3/4 cup Pet Evaporated Milk, 1 teaspoon vanilla. Let stand to thicken, about 10 minutes.

Butterscotch:
Follow recipe for Chocolate Sauce, but use Butterscotch Instant Pudding and Dark Karo Syrup. Omit vanilla.

Student Lunch Slated Sunday

4-H Week Set For Observance Here

This week, October 6-12, is being observed as 4-H Club Week in Texas according to a designation by Governor John Connally in an official memorandum.

In Randall County there are 105 students presently enrolled in 4-H Club activities, according to Mrs. Becky Hall home demonstration agent.

Of this number 30 carried a 4-H clothing project, 20 are active in horse projects, 15 have completed a foods project, 35 have participated in county 4-H club activities and 20 have

turned in records for the county contest.

This year leaders have had training in Child Care Unit I and Home Furnishings Unit I. A new project group in photography is being planned and one club has completed an automotive project and rifle training.

Other areas of study are available to 4-H youths also, according to Mrs. Hall. She explained that the additional areas need adult leaders and include such things as dog care and training, bicycle care and

safety, gardening and yard planning and care, woodwork, electricity and entomology to name a few.

A recent survey at both Gene Howe Elementary and Rex Reeves Elementary School show 169 additional youths interested in joining 4-H work, according to Mrs. Hall. This group of students and parents will be informed of prospects of 4-H clubwork at a meeting set tentatively for October 22 at the Junior Livestock Building.

4-H leaders and council members met this week to plan

an annual recognition program for 4-H members which is annually called the "County Awards Program". At the meeting this week 4-H junior leaders, council members, and delegates met for organizing and electing officers and appointing committees for the new year in 4-H clubwork.

Mr. and Mrs. L. B. Walters and his sister, Mrs. Audie Clary, spent the week end at Paducah visiting with relatives and friends.

City Woman's Father Dies

Mr. and Mrs. C. Boone McClure of 406 Holman Lane have recently returned from Shamrock where they attended the funeral of Mrs. McClure's father.

C. T. Palmer, 77, a resident of Shamrock for 25 years, died Sept. 30 of a heart attack at his home. Born in North Carolina, he was a retired oil well driller.

He is also survived by his wife and a daughter, both of Shamrock.

HHS Queen Is Crowned

Miss Becky Rahlfs is the new homecoming queen for Happy High School.

Miss Rahlfs was crowned Friday at the annual Happy Cowboy pep rally. Attendants were Miss Lynda Looney and Miss Janet Moudy.

The regional football team of 1948 from Happy High School were special guests at the homecoming activities. The golden anniversary class of 1918 and the silver anniversary class of 1943 were honored.

Also presented at the activities were the classes of 1918, 1928, 1938, 1948, and 1968.

Terry Wright and Susan Sims were named king and queen for the bonfire held before the Cowboy-Kress football game.

Ex-student officers picked for the new year are John F. Toles, president; S. M. Wright, vice president; and Mrs. D. L. Allison, corresponding secretary.

MISS BECKY RAHLFS was chosen from a field of eight students as queen of the annual Happy High School Homecoming activities held Friday. Attendants for Miss Rahlfs were Lynda Looney and Janet Moudy. The usual pep rallies, bonfires, receptions, dinners and other activities sparked the annual homecoming for Happy this year.

Mrs. Foster's Rites Held Sunday

Funeral rites for Mrs. Mary Erma Foster, 63, were held Sunday in the First Baptist Church with Dr. Strauss Atkinson officiating.

Interment was at Dreamland Cemetery under the direction of LaGrone Funeral home.

Born in Indian Territory, Mrs. Foster married Mark Foster June 15, 1934 in Dimmitt and had been a member of the First Baptist Church of Canyon for 58 years. She was a member of the Priscilla Club of Canyon.

She died Friday afternoon in her home.

Survivors include her husband, Mark; daughters, Mrs. Don Olson, Mrs. Charles Peck-enbaugh and Mrs. Horace Carter, all of Canyon, and Mrs. Bill Dodgin of Amarillo; two

sisters, Mrs. Paul Rogers of Canyon and Mrs. Bob Helmich of Pauls Valley, Oklahoma; a brother, Bob Dowd of Happy; and ten grandchildren.

Slide Series Is Produced

A 35 millimeter slide series produced by the Industrial Arts Club of West Texas State University has been selected for statewide distribution among junior and senior high schools.

The Texas College Industrial Arts Association, meeting recently in Huntsville, approved the slide show, a promotional project designed to lure more students to the industrial education field.

The project now must be approved by the Texas Industrial Arts Association, parent body of the college group before distribution.

Weldon Walser, club president, and Warren Rivers, vice president, primarily spearheaded the project.

The finished series contains 75 slides. Narration is tape recorded to go with the slides in sequence.

Commander Robert Olson is shown here congratulating his son, Burns Olson, upon his enlistment in the Naval Air Reserve. Commander Olson, formerly of Canyon, is commander of the US Naval Reserve Training Center at Birmingham, Ala.

Joe Taylor Exhibit At Museum

The Panhandle Plains Historical Museum is featuring water color exhibits by Joe Taylor of Pittsburgh, Tex., and Naoma Brotherton of Dallas during the month of October.

The exhibit consisting of 59 water colors are located in the two art galleries on the third floor of the museum.

An exhibit of oil paintings by Ben Carlton Meade of Dallas will be featured through November. Meade is a retired commercial artist and did the three murals on the west hall of the museum. His wife is the former Maidie McAfee of Canyon.

Mrs. Olive Bugbee of Clarendon, curator of art for the Canyon museum, will have an exhibit at the museum during December. Her work is done in casein, a milk product base paint. She painted the murals in the First National Bank in Canyon and Amarillo.

Campout Held For GS Troop

Canyon Girl Scout Cadette Troop 21 left Friday for an overnight outing at Camp Kiwanis.

The group returned to Canyon Saturday afternoon.

Purpose of the trip was to follow the Girl Scout handbook, cook outdoor meals, and elect officers during a business session.

Susan Bewley was elected troop leader. Others were Kay Chitwood, assistant; Karen Malzahn, scribe; Patti Ormsby, treasurer; Iva Jean Hill, reporter; Claire Daugherty and Lois Kellen, transportation managers.

Representatives selected to meet with the Amarillo Council weekly were Karen Malzahn

Anniversary Observance Sunday

The 50th anniversary of its founding will be observed by St. Paul Lutheran Church with special worship services at 2:30 p.m. Sunday.

A former pastor, Rev. H. R. Frerking from Dallas, will speak on the topic "A Christian Congregation's Fiftieth Year--A Year of Jubilee".

Nineteen years after the city of Canyon was established in 1889, the first Lutheran pastor to come to this part of Texas settled in Canyon. Known as "Panhandle Pete", pastor A.M. Lohmann rode the circuit from Littlefield to Dalhart and from Eastern New Mexico to Claude.

Pastor Lohmann's work resulted in the formation of St. Paul Lutheran congregation on February 3, 1918. Names still familiar to Canyon residents

appear among the charter signers of the first constitution including Leseberg, Meyer, Miller, Kuhlman and Schuette. The first St. Paul Church building was renovated from the old Keenan School which was located about 5 miles east of Canyon.

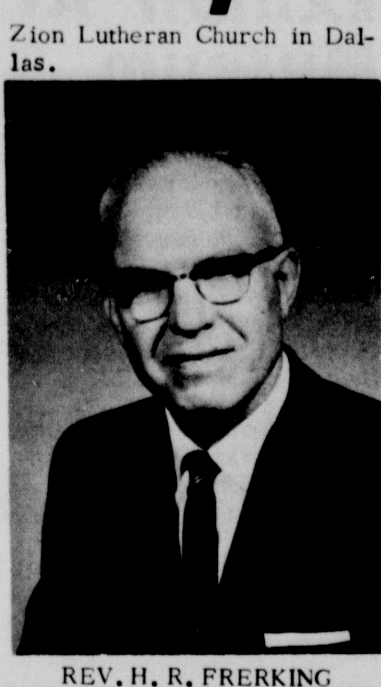

During the Sunday celebration, members of the first confirmation class will receive special recognition and members of the class of 1919 are expected to be present including Mrs. George Albers, Fred Gerdson, Gus Leseberg, Albert Meyer, Henry Meyer, all of Canyon, and Mrs. Emil Albers of New Mexico.

Directed by Mrs. John Green, the St. Paul Choir will provide special music for the service.

Guest missions speaker for the 11 a.m. service Sunday will be Pastor Herman Schelter of Hereford. A buffet luncheon will be served at noon and a tea will follow the afternoon service.

Pastor Frerking, who will speak for the anniversary service, is a graduate of Concordia Theological seminary in St. Louis, Missouri. He served as pastor for the St. Paul Lutheran Church in Canyon 1934-40 and since that time has served as chaplain in the United States Air Force. At present, he is assistant pastor at

CCA Membership Drive Opens With Tea

Annual membership drive for the Canyon Community Concert Association will begin Monday with a kickoff dinner for all board members and workers at the Canyon High School cafeteria.

Mrs. T. G. Hull, Jr. is in charge of the banquet plans. A renewal membership drive is being conducted this week throughout Canyon. The renewal drive began Sunday with a worker's tea at the home of Mrs. Joseph Findley, membership chairman.

Campaign headquarters for the new-member drive have been established at Southwestern Public Service Building in Canyon where memberships may be purchased.

First attraction of the current concert season will be October 26 when the French lit-

erary cabaret troupe, "Paris Rive Gauche" will perform in the CHS auditorium.

Local China Painter Wins

Mrs. Tom Gooch of Canyon received a tricolor, two blue ribbons and an exceptional merit award in hand painted china divisions of the Texas State Fair in Dallas which opened Saturday.

Mrs. Gooch, a member of the Amaryllis Porcelain Art Club, won the awards for a Hereford bull painted on a 12-inch plate in the animal class and a Thanksgiving plate which was entered in the religious motif class.

The two award entries will remain on display throughout the fair which closes October 20 in Dallas.

The two-hour program of songs, ballads, satire and poetry set to music will feature Beatrice Arnac, Bernard Haller, Jacques Marchais and Paul Villaz. Selections will range from 13th century French folklore through expressions of Paris today. The comedy routines of the "Paris Rive Gauche" have been adapted into English for the troupe's American tour.

The CCA series has also

selected Jaime Laredo, a Bolivian violinist, to appear January 9. He has to his credit appearances with numerous major symphony orchestras and has concertized through Europe, South America, the United States and Canada.

Other programs and dates for the CCA programs will be announced at the conclusion of the membership drive, according to Mrs. J. M. White, CCA president.

Mr. & Mrs. William Frank Tirey

Georgine West-Tirey Pledge Nuptial Vows

Joseph A. Hill Chapel on the campus of West Texas State University was the scene of marriage Saturday for Miss Georgine West and William Frank Tirey.

The bride is the daughter of Mr. and Mrs. George D. West of Gainesville. Mr. and Mrs. J. Frank Tirey of Happy are parents of the bridegroom. Rev. Travis LaDuke, pastor of the First Baptist Church of Balco, Oklahoma, officiated at the double ring ceremony.

The altar space was decorated with spiral candelabra entwined with greenery and mums with mint green tapers. A white floral arrangement centered the jade background.

Organ music was furnished by Mrs. Glenn Dowlen of Canyon.

Presented by her father, the bride wore a pale mint green delustered satin dress with a matching lace bodice with bell sleeves. Her illusion veil was shoulder length and she wore white kid gloves and pale green shoes. Her flowers were a white orchid with sweetheart roses arranged in a slight cascade.

Mrs. Robert M. West of Canyon was her sister-in-law's attendant. She wore moss green peau de sole, designed similarly to the bride's with matching lace sleeves, headpiece and shoes. She carried a nosegay of white pompon mums and green ribbon.

George Ray Tirey of Happy was his brother's best man and guests were seated by W. L. Oler of Amarillo and Bill Haryle of Happy.

A reception followed in the Baptist Student Center on campus. The bridal table was covered with lace and linen over pale green and held the tiered cake and a silver tray arrangement of foods centered with a silver cupid holding flowers and draped with grapes.

Mrs. Stan Elliott presided at the cake. At a round table, covered with a fitted green cloth, Mrs. David C. West of Santa Fe, New Mexico, sister-in-law of the bride, served the punch. Guests were registered by Miss Willa Jane Elliott of Happy.

For a wedding trip to Red River, New Mexico, the bride changed to a charcoal and white dress with coat and charcoal accessories. The couple will establish their home at 103 Whorton Street in Happy.

Both are senior students at West Texas State University. The bride, a graduate of Gainesville High School, will receive the B.S. degree in January. She is an elementary education major and member of Mu Phi Epsilon sorority.

The bridegroom is a member of Sigma Nu. He graduated from Happy High School in 1960 and attends evening classes at WT completing a business administration degree. He is associated with Tirey Hardware Company in Happy.

CU Chapter Has Meeting

CU Chapter Has Meeting

Chi Upsilon chapter of Beta Sigma Phi sorority met Wednesday night in the lobby of the West Texas State Bank with Mrs. Bob Costley as hostess.

Mrs. Carl Sims, president, opened the business meeting with rituals and Mrs. Calvin Costley read roll call and gave the reading of the minutes.

Mrs. Sims read a letter requesting in-activity for Mrs. Delbert Burrows.

Further information on the Las Vegas Party to be held Nov. 23 at the Range Riders Club were given by Mrs. Bob Costley. The group looked over and discussed cookbooks of Beta Sigma Phi which they will have available for sale. A recipe by a local member, Mrs. Speck Benham, appears in the book.

The chapter voted an allowance per month of \$1 for Wanda Van Sickle, a girl they sponsor at the Children's Home in Amarillo.

Members took another vote on the princess, which was a tie in the first ballot according to Mrs. Jack Berry.

The business session was concluded with an executive board meeting to appoint a new treasurer. Mrs. Joel Reese was appointed treasurer for the chapter.

Door prizes were won by Mrs. Joel Reese and Mrs. Bob Costley. Refreshments concluded the meeting.

Pledge rituals for Mrs. Joel Reese will highlight the October 16 meeting of the chapter in the home of Mrs. Speck Benham.

Gardeners Take Tour

Canyon Garden Club will meet tonight, Thursday, at 6:30 o'clock at the home of Mrs. Rae Walters, 1718 Fourth Avenue.

The group will depart shortly for a tour of succulent gardens in Amarillo. Members are requested to furnish flashlights for the tour of gardens.

The group will return to the Walters home for refreshments and final planning on the garden show to be held here on Sunday. Mrs. C. W. Samples will serve as co-hostess for the meeting.

Local Churches To Annual Meet

The 16th annual convention for the Amarillo Baptist Association will be conducted Tuesday at the Friona Baptist Church.

Messengers from both Calvary Baptist Church and First Baptist Church of Canyon are expected to attend the all-day sessions.

The morning events will be directed by the Woman's Missionary Union of the area. Afternoon program will include the annual sermon to be given by Rev. James Read of South Lawn Baptist Church of Amarillo, special music by a group from Wayland Baptist College, and a speech by Roy McClung of Wayland.

Evening session will feature Dr. Theron Farris of the state evangelism committee of the Baptist General Convention of Texas as speaker and B. L. Davis of San Jose, California with the closing message.

Various reports from departments of the various churches will be given in addition to statistical membership and financial information during the business session.

GA Focus Week Plans Banquet

"GA Focus Week", October 13-19, will be highlighted at the First Baptist Church with an annual mother-daughter Girl's Auxiliary banquet Monday evening at 6:30 o'clock in Fellowship Hall.

The program will include a shadow skit on the growth of girls through GA activities and a presentation ceremony, according to Mrs. J. E. Low, GA director.

Kelly Rogers New Ranger

Kelly Rogers has been assigned the Randall County territory as Texas Ranger replacing Butch Albers who was transferred.

Rogers has been stationed in Amarillo since July 1, 1948. He has been with the Texas Rangers for 20 years.

Locals Plan DKG Skit

A skit entitled "Getting a Story in the Paper" will be presented by Canyon members of Zeta Epsilon chapter of the Delta Kappa Gamma Society at a regional DKG meeting October 12 at Bonham Junior High School.

Participating in the skit will be Joan Conner, Gretchen Harter, Wilma Jean Jacobs, Inelle Zevely, Audrey Sanders and Linnie Harter.

Coffee and registration for the regional session will begin at 9 a.m. with Eta Phi Chapter as hostess for the meeting.

Theme for the day's program will be "Look To The Work".

Mrs. Ruby Lee Laferty, immediate past president of Alpha State, and Mrs. Frances Lowrance, state chairman on professional affairs, will be the featured speakers.

About 400 women are expected to attend.

SKIT PARTICIPANTS from Canyon for the regional Delta Kappa Gamma regional session are, front, from left, Gretchen Harter, Inelle Zevely and Joan Conner. Back row, from left, are Linnie Harter, Wilma Jean Jacobs and Audrey Sanders.

Milk Records Are Released

A new annual herd production average for milk and butterfat has been announced for the Registered Holstein herd owned by Louis G. Henders, Palo Duro Holstein Farm, Canyon.

As reported by Holstein-Friesian Association of America, the herd has completed its latest testing year with an official per-cow average of 17,940 lbs. of milk and 664 lbs. of butterfat, based on 70 completed lactations.

Texas A. & M. University supervised the weighing and production testing procedures in cooperation with this breed improvement program of the Holstein organization.

Ice Cream Supper Set

Crusaders' Class of the First Methodist Church will sponsor an ice cream supper Sunday following the evening worship hour.

The supper in Fellowship Hall will not have an admission charge however offerings will be taken to benefit the Wesley Foundation at West Texas State University and the church choir scholarship program.

Fund Raising For Christian

Republican businessmen from Canyon have begun a fund raising campaign for Tom Christian, Republican candidate for state representative from the 75th district.

The drive was organized at a breakfast held Thursday at the Red Barn in Amarillo. About 10 Canyon businessmen were present.

Weyman Brown of the Canyon Agency said that each Republican who attended the breakfast was responsible for raising \$100 by contacting individuals.

The Republican's chances for electing their candidates on the local and state level was also discussed, according to Brown.

Christian of Claude attended West Texas State University and is now engaged in farming and ranching.

Couple Meets In Hawii

BY ELAINE PEEPLES

A Canyon service wife who traveled to Hawaii to see her husband almost didn't find him after she arrived there.

Mrs. Felicitas Murrell of 806 22nd St., and Terry, their 18 month old daughter, visited six days with Spec. 5 Oliver F. Murrell who has been in Vietnam nine months.

Mrs. Murrell said when their plane landed in Hawaii late and her husband was not at the airport. An Australian couple took her and her daughter to the hotel but when they arrived her husband had just left for the airport.

Mrs. Murrell said Hawaii was so beautiful and the people so nice that they didn't want to leave. "We sure had a lazy time. We didn't ever know what time it was."

The couple stayed in a hotel on Waikiki Beach. "We stayed on the beach most of the morning and then shopped the rest of the time for clothes," Mrs. Murrell said. "The baby wanted to stay in the water all of the time," she said.

Terry went to her daddy immediately even though she hadn't seen him since she was nine months old, Mrs. Murrell said.

"She has a picture of her daddy over her bed and she kisses it every night before she goes to sleep. That way she knows she has a daddy," Mrs. Murrell said.

Mrs. Murrell said that her husband didn't talk about the war much. "He tried to forget it and I didn't much want to hear about it either," she said. "He hasn't changed much but was nervous because

he is scheduled to come home in seven weeks.

The couple hopes to be stationed in Germany where Mrs. Murrell was born until Murrell finishes his tour of duty in 1970. If they are stationed in the states, they would prefer to live in California, Mrs. Murrell said.

Mrs. Murrell came to the United States two years ago from Germany. She and her husband were married there but were remarried in the states so the army would recognize their marriage. Mrs. Murrell and Terry have lived in Canyon since Murrell was sent to Vietnam.

Murrell is a squad leader in the 4th Infantry Division stationed with a motor pool in South Vietnam. He is the son of Mr. and Mrs. Oliver C. Murrell of 1908 7th Ave. in Canyon.

Mrs. Murrell helps her daughter, Terry, model a mu-mu bought in Hawaii during a visit with her father, Spec. F. Oliver F. Murrell who is stationed in Vietnam with the U. S. Army. The family visited in Hawaii six days.

CANYON FEDERATED COUNCIL chairman, Mrs. Johnny Raymond, left, visits with Mrs. B. M. Sims of Wellington, president of the Top of Texas District of the Texas Federation of Women's Clubs. Mrs. Sims spoke to Canyon clubwomen Monday evening at the annual joint federated dinner.

Federation Prexy Speaks To Women

"What women do as individuals and as an organization in their own communities is a basic foundation for our nation," said Mrs. B. M. Sims, president of the Top of Texas District of the Texas Federation of Women's Clubs, as she addressed the four study clubs of Canyon Monday evening.

Mrs. Sims of Wellington spoke at the Rex Reeves Elementary School cafeteria to members of Canyon Study Club, Woman's Book Club, Sue Hite Club and the University Study Club.

"As federated clubwomen we are a part of a very special endeavor," stated Mrs. Sims explaining that membership in the Texas Federation of Women's Clubs might be compared to a coin with two sides designated as privilege and responsibility with the other side as benefit and duty.

She emphasized that "the greater the value placed on Federation membership and ideals, the greater the benefits to be derived from such membership."

"It isn't like tossing the coin into a wishing well," said Mrs. Sims, "but rather like placing the coin on deposit to accrue interest and value."

"The success of the Texas federation depends on the local clubs and memberships—who are the nucleus of the Federation."

"For the aims and activities of a woman's club to be significant," said Mrs. Sims, "the club must be sparked by informed leaders, enthusiastic members and an informed program committee."

She stated that federated members are recipients of program and project ideas from the General Federation of Women's Clubs brochures and at district and state workshops and emphasized that various communities will adapt to the project ideas when applied by the local clubs.

REYE SYMPTOMS MAY BE WARNINGS OF DANGER

They may indicate the eyes themselves need help or that conditions in the body are causing eye problems which are doing them serious harm. Eyesight is too important to neglect any signs of abnormal vision.

A sudden, severe pain in the eyes spreading over the head may be a sign of glaucoma, which can destroy vision in hours. Watch out for recurring dimming of vision, halos around lights, distortions of objects, double vision, excessive tears and blinking, red eyelids and unequal pupils. All these are symptoms which almost demand the immediate attention of a physician or ophthalmologist. When medication is needed, we can fill any prescription.

Claiborn Crain of Canyon, a senior at West Texas State University, has been named temporary chairman of the Young Democrats on the WTSU campus.

The second meeting of the group was held Tuesday in the Azure Room of the Student Union Building.

A committee to draw up a constitution for the group and one to apply to the state Young Democrats for a charter were also selected. John Lesly of Hereford was named chairman of the committees and Vivian Short of Tahoka, secretary.

When the charter is approved by the state chairman, the group will apply to become a WTSU campus organization, according to Crain.

The next regular meeting of

Jerry LaGrone recently was re-elected for another three-year term as a representative to the Texas Association of School Boards and School Administrators at a meeting held in Austin.

LaGrone, a Canyon mortician, is president of the Canyon school board. He represents the 18th Congressional District on TASB.

LaGrone and School Supt. Jerry Jacobs attended the Austin meeting.

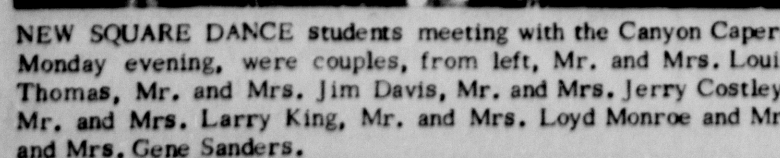

TASB passed resolutions, among others, calling for state-supported kindergartens and complete use of school facilities involving longer school terms.

The R. P. Jarrett chapter of the Student Education Association at West Texas State University has begun working through the Christian Children's Fund, Inc., to help support a 12-year-old Bolivian school girl.

Jim Reeves, chapter president, said the SEA is paying \$12 per month to feed and clothe Luisa Sillerico Gasas, who is described as being in need of "proper nourishment, clothing and attention."

As well as paying the \$12, members are sending gifts and letters to the youngster, Reeves said.

Luisa is one of 15 projects which the SEA will sponsor this year.
